KANDERSTEG 2011 *an international adventure for Derbyshire Scout Network*

Join Derbyshire Scout Network on an international adventure to the Kandersteg International Scout Centre in the heart of the Swiss Alps.

In August 2011, we'll be taking a coach load of Network members camping for a week, fully catered, in our first ever large scale county-organised trip abroad. You could be a part of it, with the opportunity to take part in a wide range of adventurous activities in beautiful surrounds and alongside other Scouts from around the world. You could experience everything from glacier walking, to fishing in a mountain lake, or even paragliding over the peaks. Sample some genuine Swiss culture – and their chocolates and cheese too, of course!

Find out more and register your interest now via the event website and keep up to date with developments via our facebook group.
